## SENIORS WON HONOURS AT R.V.C SPORTS

Miss Roba Dunton Won Individual Championship

RECORDS BROKEN

Freshettes Succeed in Establishing Two New Records

The R.V.C. Sports Day, held at the Stadium on Saturday, proved to be the most successful one held for some time. In spite of the cold weather many spectators were in evidence and keen competition was shown in all events. Two records were broken and these by members of the Freshman year. Miss R. Dunton broke the high jump record of 4 feet 1 inch by jumping 4 feet 2 1/2 inches, and Miss Francis Stocking, throwing the basketball a distance of 60 feet 10 inches, broke the previous record of 60 feet 5 inches. In the Inter-Year events, the Seniors won the tug-of-war and the Sophomores got first place in the relay.

Miss R. Dunton carried off the honors of the day by winning the individual championship, with a total of thirteen points. Miss Leggett and Miss Stocking tied for second place with eleven points, and were closely followed by Miss Slack, Miss Russell and Miss Robertson.

A new feature was introduced into the sports this year, that of "throwing the javelin." This was a very attractive event to watch. It was won by Miss Stocking, who hurled the javelin 45 feet 11 inches, being pushed by Miss Dougall of First Year.

Miss E. M. Cartwright acted as referee, Miss G. MacCallum as starter, and Miss E. L. Wain as chief clerk of the course. The R.V.C.A.A. are greatly indebted to these members of the staff, and to the students of the Second Year, M.S.P.E., for their efficient services.

At the close of the sports the different years lined up and gave several class yells, after which Miss Hurlbatt presented the prizes. The singing of the National Anthem brought this successful meet to an end. The results of the events follow:

50 yard dash—1st, C. Robertson; 2nd, M. Leggett; 3rd, R. Turley.

Running High Jump—1st, R. Dunton; 2nd, E. Hutcheson; 3rd, D. Russell; 4 ft. 2 1/2 in.

Javelin Throw—1st, F. Stocking; 2nd, M. Dougall; 3rd, M. MacLaren; 45 ft. 11 in.

Running Broad Jump—1st, D. Russell; 2nd, R. Dunton; 3rd, C. Robertson; 12 ft. 2 1/2 in.

Basketball Throw—1st, F. Stocking; 2nd, Z. Slack; 3rd, P. Murray; 60 ft. 10 in.

Hundred-Yard Dash—1st, R. Dunton; 2nd, M. Leggett; 3rd, C. Robertson.

Graduates' Race—1st, T. Rough; (Continued on Page 3.)

## DISTANCE RUNNERS WILL RACE TODAY

Inter-faculty Harrier Run This Afternoon

The Harrier Club today has its annual inter-faculty run. The course will be that which is to be used on Saturday for the intercollegiate fixture. The runners start from the stadium running up

climb. On reaching the Ski Club they climb. On reaching to Ski Club they take a lap on the half mile dirt track and come back along the mountain road by the reservoir descending to Park avenue by Fletcher's field. The distance is five and a half miles. To-morrow's race is usually the tryout for the Harrier team and up until two years ago it was always the executive of the club will select the team from the first five men. This year the executive of the club will select the team but the winners of the race have the best chance of being selected.

On Saturday the Toronto inter-faculty run was held. Goforth the track man who won the three miles here last week also was first, this event covering the distance in but one minute and thirty-five seconds short of the record set by Croll two years ago. The men who will in all probability run at McGill for Varsity are as follows: Goforth, Curtin, Bell, Shaver, and Smith. These men all finished close together, in the run. Last year Toronto won at Kingston and R.M.C. ran second. On the home course McGill should do better.

The run to-day has many promising entries. Stephen, Champion Antiloff and Egerton are all in fine shape while there is little doubt that Wiggins will

Nov. 24th—Junior Prom.

## NEW STUDY IN BIO-CHEMISTRY IS INTRODUCED

Chemical Society Holds First Meeting

DR. MACALLUM SPOKE

Additional Light Thrown on Subject of Biochemistry

The first meeting of the McGill Chemical Society was held in the large lecture room of the Macdonald Chemistry building Friday, October 27, at 5 o'clock.

The speaker of the day was Dr. A. B. Macallum, who chose for his subject "Surface Tension and Living Matter." After a preliminary survey of the forces involved in surface tension, Dr. Macallum gave an account of the way in which these forces affect the life of cells and emphasized their importance in all life processes. The speaker's own method, introduced into the study of Biochemistry some years ago, had been of value in throwing light upon the concentration of ions at the interfaces of cells with the result that surface tension effects in the cell had become visible under the microscope.

A new study of Moecri-biochemistry had arisen. It was possible now to study the variations of the concentrations of potassium or hydrogen ions during various stages of the life history of the cell, and consequently many mysterious processes such as the division or conjugation of cells could be traced to the effect of surface tension. As an ocular demonstration of the results to be obtained by the new methods, the speaker showed on the screen many views of cells from a great number of sources, exhibiting the surface tension effects. These views were received by the audience with great interest, and even applause.

The meeting closed with a few words of thanks and appreciation by Dr. Rutan for the excellent lecture by one who has done so much to further the advance of the science of Biochemistry.

The following officers were elected for the year 1922-23: President, Dr. A. B. Macallum; vice-president, Prof. N. N. Evans; advisory committee, Dr. Whitby, Dr. Shaw; secretary-treasurer, P. G. Hiebert.

### CONDOLENCE

The death of H. R. Holtham is a cause of regret not only to the Class of '23, of which he was a member and leading figure, but to the university at large, whose activities received his willing support, and whose interests he always took to heart. His presence will long be missed, and his place long left unfilled. McGill, while feeling her own loss keenly, cannot but express her sympathy to those to whom the loss may be more personal, but certainly not more real.

## CADETS BEAT SECOND TEAM ON SATURDAY

Touchdown in Last Period Gives R.M.C. 7-5 Victory

GOOD FOOTBALL

Grassick and Smith Excellent—Cummings Star Wing

A touchdown in the final period after a sensational 30-yard run by Carr Harris, mainstay of the R.M.C. backfield, spelled defeat for the McGill Intermediates at Molson Stadium on Saturday, the Cadets winning by the score of 7 to 5. As a result of the victory the R.M.C. team gained the privilege of meeting the University of Toronto seconds for the eastern title and the soldiers on their showing to date are the favorites to come out on top.

The teams on Saturday were evenly matched and the game closely contested. McGill jumped away to an early score in the first few minutes of play when Sid Harris recovered an opponent's fumble and sprinted 50 yards for a touchdown. The Red and White maintained this advantage until the last quarter when Carr Harris's run for a touchdown turned the tables.

On the whole the McGill team showed up well. Fumbling was not as frequent as in the first game and on the defense they showed a marked improvement. For McGill Cummings and Hammy Smith showed the best work on the defense, while Grassick was a speedy and consistent ground gainer.

Ralph Cummings, a sixteen-year-old youngster, and star of the M.A.A.A. Intermediate team, at flying wing, playing his first game for the Red and White, gave an excellent performance. He was down on almost every punt and almost invariably threw the receiver back a few yards with deadly tackles. On the offense he went through for several good gains. It will not be at all surprising to see Cummings promoted to the Senior squad on Saturday's showing.

Hammy Smith at outside wing also performed well. He broke up a number of threatening end runs in clever fashion and played a steady game throughout.

Grassick was the best of the half-backs. He showed great flashes of speed and got away on several long gains, while his running back of punts was sometimes spectacular.

A detailed account of the game follows:

First Quarter

McGill won the toss and Captain Sid Harris chose to defend the west end of the field, with the sun at his back. Wilson's kick-off travelled to (Continued on Page 4.)

## UNION INFORMAL ON FRIDAY NEXT

Committee in Charge Promise Novel Attractions

The Union House Committee were heard from last night in regards to the Informals, and announce that on Friday, November 3rd, the first of six Informals to be held during the year will take place. They make further announcement in stating that the attractions being arranged for these delightful evenings of joy has never been equalled.

For those spending their first year in these venerable halls of learning it will be their big opportunity of stepping forth into the social activities of the college. Sports have, so far this fall, occupied the attention of all, but now comes the grand curtain raiser along an equally pleasant line.

"Extensive" was the word given out last night as to the preparations being made. The decorations are of a high order, something novel and original. The music, such as cannot be equalled in the city, will be furnished by the University Dance Orchestra, and all who heard this aggregation at the Allen last week agreed that they are the "bee's knees." The mere mention of such names as Glen Adney, Chub Lebaron, Bert Simpson and Cliff Menzies guarantees a class of music of the highest order. Two other worshippers of the High Priest "Jazz" round out a perfect combination for the rendition of the latest of hits.

The difference experienced by the (Continued on Page 4.)

## A STEP AHEAD

This edition of the "Daily" contains a notice from the university authorities advising those students in the Faculty of Medicine, who may be interested, that microscopes are to be had, on application to the Bursar, at lower rates, and on more equitable terms, than prevail outside the college. This is a step in the right direction, a step ahead. It is evidence that those at the head of McGill are doing what they can to make the lot of the undergraduate an easier one, and to give him every advantage in procuring his supplies at reasonable rates. It is a notice intended, apparently, to be read only by men registered in Medicine; but it is a notice, nevertheless, that should be of concern to students in other faculties as well. It is but an example of the work that might be undertaken by the university in assisting, in a financial way, those pursuing a course leading towards a degree at McGill; the benefits that are certain to result to a limited number from the inauguration of this scheme will be but an earnest example of the advantages that would accrue to the student body as a whole if some efficient and popular method were devised of placing before the men and women at college the privilege of purchasing their books, instruments and sundries at a convenient station, at reduced prices, and, preferably, under university management.

This brings us to the old question of the feasibility of the establishment of a University Book Store. Under present conditions the obtaining of books is a real problem for the student new to Montreal, as for the undergraduate who has been here for a year or more, involving as it does the selection from a number of advertisers of the most desirable, succeeded by journeys to various parts of the city in an endeavour to secure what is desired. In addition to these handicaps, there is no agent for the effective distribution of second-hand class necessities, such as books and instruments, which would afford the buyer a considerable saving. In the obviating of these difficulties alone, a University Book Store would be a boon.

In the lack of a University Book Store, McGill is delinquent in a respect in which other younger and smaller Canadian universities are not wanting. At McGill there exists the need, the opportunity and the support for such an enterprise as there does in other institutions of learning. The plea for a Book Store is not new, but it remains today as pertinent as ever it did in previous years. It will come in time, of that there can be no doubt; that it may come in time to be of profit to some of those now attending lectures, we can but hope.

## THE HARRIERS

The Inter-Faculty Harrier Meet is scheduled to take place today. At four o'clock the best of McGill's long-distance men will commence a six-mile "grind" to decide who from them will represent their Alma Mater against 'Varsity, Queen's and the Royal Military College on November the fourth. The chances for a Red and White victory in the Intercollegiate Meet are bright and the Harriers are deserving of every encouragement in their efforts to once more return this championship to McGill. While not a major sport, cross-country running calls to the front every reserve in the way of perseverance, stamina and strength that an entrant may possess. A good crowd on hand to witness the trials this afternoon may add the necessary incentive that is required to keep some of the runners in the race till the finish and so make certain the choice of the best of talent for the Intercollegiate Meet.

## MICROSCOPES FOR MED. STUDENTS

### For Sale on Deferred Payment Plan

The University has decided to sell microscopes to students on the deferred payment plan. Students will now be enabled to purchase new microscopes through the Bursar's office on depositing a signed agreement of sale and making payments as given below: If purchased in first year at beginning, \$35; at second year, \$27.50; at third year, \$25; at 4th year, \$22.50; at 5th year, \$15. Total, \$125. If purchased in second year, \$40; at third year, \$32.50; at fourth year, \$27.50; at fifth year, \$25. Total, \$125. If purchased in third year, \$50; at 4th year, \$45; at fifth year, \$20.00. Total, \$125.

These may be purchased outright, if desired, by a cash payment of \$120.

This type of microscope is a recommended equipment for medical students in the University. It was selected by the Faculty Committee after consideration was given to all other models and makes. They believe it represents the best in design and quality that can be bought at the price indicated above.

Smiling "Bert" Schneider, representing Canada at the Olympic boxing tournaments, will box at Loew's Court tonight under the Rickard interests. The local boy is expected to put his honorable opponent away.

## MAUDLIN, BUT —

Just as the old fashioned girl is now characterized as one who dances with her feet so the old fashioned college boy is pictured drinking beer, bellowing great oaths and plunging around in corduroy breeches and shaggy roll neck sweater.

Remembered as a man of tremendous physical proportions and dynamic energy the tintype of the man has been distinct in our memory and the extent of his mental capacity has been the cause of endless speculation. So far as reliance and stamina are concerned he must have had quite an edge on the present generation. In years he outnumbered us and in lusty he-man pleasures and episodes his cup must have been refilled at frequent intervals.

Now the older men vindictively assert that college is not what is used to be and regardless of our prejudices in the matter we must admit they tell the truth.

This editorial is not particularly concerned with regrets that the vivid color and picturesque carelessness of former days is now enshrined in the imaginations of men, and doomed to mummify and shrivel there.

Rather it is concerned with the inconsistency of the old fashioned boys and their sons now at.

Let the average son start out on a "tear" and endeavor to revive the ancient but large-hearted devilry and independence of the late nineties or early nineteenth hundreds and unless he is the personification of profound discretion he will surely come a "cropper" or three. All the charm or all the callowness of youth will be of no avail if he is found out.

## NOTICES

### MEETINGS IN UNION

Much trouble has been occasioned by the fact that various organizations have advertised meetings in the Union without making certain of their accommodation. The result has been that two meetings may have been scheduled for the same room at the same time. In future it will be necessary for presidents or secretaries of clubs to make certain of accommodation either by seeing that the application is entered in the book for that purpose at the Hall Porter's desk or by notifying one of the members of the executive of the Union.

### UNION HOUSE COMMITTEE.

### LOST.

A seven ring leather note book, containing valuable notes, was left in the Union Cafeteria last Thursday noon. The owner's name is written plainly on the first page. Finder please leave with Janitor of Chemistry building.

### DISCUSSION GROUPS.

Led by Prof. Gifford, Prof. Reilly, Prof. Best and Mr. Mackay will meet for supper in Strathcona Hall tonight at 6 o'clock. Former members of these classes and any new men will be gladly received.

### BASEBALL REPRESENTATIVES

Baseball representatives of the Freshman and Sophomore Years who have not kept their attendance lists up-to-date for the practices are asked to attend to this immediately following each practice. It will not be possible to grant these attendances unless they are promptly turned in to the Department of Physical Education.

### NOTICE.

Students in Medicine thinking of practising in Mexico should note that the examinations for license in that country are required to be written in Spanish.

### R.V.C. '23.

All the girls will be glad to hear that the four MacDonald girls, belonging to R.V.C. '23, have accepted an invitation to tea on Tuesday afternoon, October 31. Tea will be served in the Drawing Room of the R.V.C., and it is hoped that every girl will be present. In addition to being an opportunity to meet the B.H.S. Seniors, this tea offers all the girls the chance to see their R.V.C. classmates, out of lectures.

### NOTICE.

Students of the First and Second Years who have not been physically examined this season, and students of higher years who desire to take part in competitive athletics may be examined at Molson Hall at 5 p.m. on Tuesday, Oct. 31. New students who have not attended to this matter please note that this will be their last opportunity to comply with the regulation, which states that those who have not been physically examined before November 1st, will not be allowed to attend the University.

J. A. NICHOLSON,

Registrar.

### NOTICE.

Will the harrier who borrowed a pair of brown tennis shoes last Friday in Molson Hall kindly return them to the Locker Keeper at once.

### LOST.

The person that took leather loose-leaf from Arts Building yesterday, please return the notes to Janitor, and keep the book as a reward.

### SECOND YEAR SCIENCE.

The annual Freshman-Sophomore banquet is to be held on Wednesday, November 1st. R. E. Dingman, Second Year President has tickets for Sophomores who are entitled to receive them.

### FOUND.

1 case of Dissecting Knives in Locker Room, Molson Hall. Apply to attendant at Locker Room.

### ONTARIO CLUB EXECUTIVE.

There will be a meeting of the executive of the Ontario Club in the Union this afternoon at 5.15 o'clock. The meeting will be short and all members of the executive are asked to be present as it is desired to outline the programme for the coming session as far as possible.

### LOST.

Lost in the "Daily" office, or Union basement on Friday night, October 20th, a gold-tipped fountain pen. Finder please leave at the "Daily" office.

### LOST.

K. & E. 8 Inch Slide Rule. Letter "R" on leather case. Finder please leave with "Harry", Engineering Building.

### NOTICE.

The draws for the Union Billiard and Pool Tournaments have been completed and the handicaps posted. The draw for the first round is as follows:

Billiards—M. Fineberg vs. E. W. R. Steacie; A. D. McColl vs. J. R. Rob-

## CORRESPONDENCE

The Daily is not responsible for the sentiments of letters published in the correspondence columns. Signed communications from graduates, undergraduates and members of the faculties will be placed in print if they are not of too great length.

Correspondents are requested to observe the unwritten law of the newspaper office—that they write upon ONE SIDE of the paper ONLY.

The Editor, McGill Daily.

Dear Sir,—Being a student from the United States, I am naturally interested in things American. I have heard of an American Club here at McGill, and if it were possible for me to join I should like to do so. As yet I have not seen any notices in the Daily as to its activities and I would like to know if the Club is still going. I would like to meet some member of the Club and find out all about it. As this is the only means I know of to try and get in touch with any one of the numerous clubs around McGill I trust you will excuse my taking up so much of your valuable space.

Yours truly,

"AN AMERICAN."

Gerald J. Barry, Jr., Com. '25.

Coach "Earnie" Robinson, suffering from injuries recently received, was out at all practices.

\* \* \*

Here is what the mentor says of conditions this season: "There have been unusually smart and surprisingly large turn-outs this week. The enthusiasm was quite marked. Several men in the lighter division have shown aptitude at the game, and I am quite pleased with them. I hope to develop boxers from these who will be worthy of the College."

\* \* \*

Wrestling practice at the Union this afternoon at 5.15.

ertson; A. Levy vs. J. C. Harbottle; E. H. Elliott vs. W. S. Bouillon; W. H. Wilson vs. C. W. Webster  
Pool—N. Miller vs. H. A. Cohen; W. Stein vs. A. Levy; G. H. Stock vs. G. H. Rumpel.

The handicaps have been figured out and they are now posted in the billiard room at the Union. Competitors are requested to play their matches at the earliest opportunity.

It is the intention of the House Committee to have these tournaments more often in the future and while the entry list for this tournament is very good, it is hoped that more interest will be aroused in future. Suitable prizes will be awarded the winners and as this is a handicap affair each man has an equal opportunity of winning the prize.

### HARRIER CLUB

All those who are to enter the Inter-faculty Harrier run are expected to be at the Stadium at 4 p.m. today.

### MEDICAL SOCIETY

There will be a meeting of the Medical Society tonight at 8.15 p.m.

### JUNIOR DANCE

A meeting of the Junior Dance Committee will be held at 7.30 p.m. tonight in the faculty room of the R.V.C.

### MICROSCOPES.

The University has decided on an agreement whereby they can sell microscopes to students on the deferred payment plan. An article explaining this will be seen elsewhere.

### MARITIME CLUB

There will be a meeting of the executive of the Maritime Club at 5.15 p.m. today in Strathcona Hall.

### DENTS' DANCE

The Fresh-Soph dance of the Faculty of Dentistry will be held at the Venetian Gardens at 9.30 o'clock tonight.

There will be a meeting of the executive of the Literary and Debating Society in the Union at 5.30 p.m. today.

### ARTS-LAW FOOTBALL

There will be a practice for the Arts football team on the Campus today at four o'clock. If raining or snowing meet in the smoking room of the Arts building. This is the last opportunity the team will have to practice before the Waterloo with Science on Tuesday so it is absolutely necessary for every man who plays football in Arts and Law to be at this practice. All up!

### STUDENTS' ORCHESTRA

The Musical Association of McGill is calling a business meeting for Tuesday, October 31, at 5 o'clock in the lounge room of the Union to proceed with plans for the carrying on of the work of the Students' Orchestra during the coming season. The support given by the student body will in a large way determine the course of the meeting. All who are interested in this organization are requested to attend this meeting.

### ARTS '24 BASEBALL

Will the following please be on hand for the game tonight at 6 o'clock in the M.H.S. gym: Layhew, Blumenstein, Sessenwein, Webster, B. Cohen, Stone, Bethel, Chave, Alexander, Fotos, Greenblatt.

## CAPTAIN CUTTLE'S COLUMN

### AUNTIE KURRIE MURDERED

I am sure that it will come as a great shock to the many readers of this column to learn that its authoress, the venerable and respected Auntie Kurrie, has been the victim of a sad fatality. It seems she was foully murdered last Monday night under circumstances of the most revolting nature. The police have been following several clues, and say that some of them may probably lead somewhere. In fact they expect to make an arrest at any moment.

They are, however, more hopeful than is the special reporter who has been detailed by the "Daily" to take charge of the case. He has been following a series of important clues which has led him to some of the most secret places of the Royal Victoria College, into which he was enabled to penetrate only in the most complete disguise. He states that on one occasion he was able to pass the stern-eyed-guardian of the door only by bending himself in a loop and walking very close to one of the members of the Sophomore class who is in the habit of carrying a walking-stick. As he is a very thin youth, and moreover an adept at elaborate disguise, he had very little difficulty in being mistaken for the customary accompaniment of perambulation affected by the fair co-ed. It was thus that he obtained entrance into the building in which the suspected slayer of Auntie Kurrie is thought to be domiciled.

The murderer of Auntie Kurrie, it is reported in this column last Monday. Suspicion points to "Sweet Sixteen" whose letter appeared under the caption of "Sixteen and Simple". It is thought that this epithet may have annoyed the fair letter-writer who was driven to take a summary, if somewhat misguided, vengeance by waylaying the good lady as she left the "Daily" office and cutting her throat from ear to ear in the early hours of the morning. Our reporter is, however, finding it exceedingly difficult to find the necessary proof of guilt. The authorship of the incriminating letter is shrouded in mystery. And the fact that, as far as appearance goes, so many members of the R.V.C. answer to the description "sixteen and simple" makes it extremely difficult to bring the crime home to its real perpetrator.

In the meantime, Auntie Kurrie is as dead as a doornail. News of her arrival in heaven is being anxiously awaited by eager crowds who are besieging the editorial office, but up to the time of going to press no word has been received, and some of us are getting rather anxious. It has fallen to my lot to carry on the flaming torch that she relinquished with her dying grasp. At first sight the task seems of almost

The B.W. & F. will always be willing to stage a battle or two at 'Varsity smokers.

too great a magnitude. How can I, a mere man hope to, answer satisfactorily a lithe of the heart-searching questions and soul probing problems which are contained in thousands of the letters addressed to Auntie Kurrie with which the "Daily" office has been in undated during the past week. Freshettes from the R.V.C. and hardened Meds. alike have been writing to ask advice on questions of love and dress and etiquette and sport and half a hundred other subjects. It is with little of the assurance of the late authoress of this column and with a great deal of diffidence that I attempt the task.

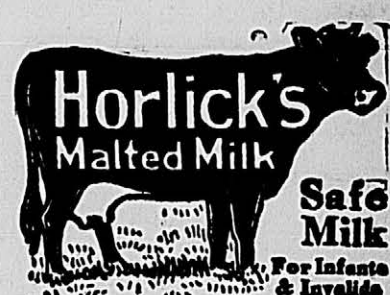

As Auntie Kurrie's correspondence is in a disorganized heap, I have found it impossible to answer any of these communications this week. I will, however, answer several of the most pressing in this column next Monday. Some correspondents are not observing all the rules which are as follows:

All correspondence must be addressed to Captain Cuttle, McGill "Daily".

No notice will be taken of anonymous communications unless they are signed with the full name and address of the writer.

Please write on all three sides of the paper.

CAPTAIN CUTTLE.

# MONTREALERS WIN RUGGER FROM MCGILL

## Score Twice in Last Five Minutes

### SCORE 8-0

#### Large Crowd Watches Game on Campus

The Montreal English Rugby team defeated McGill on Saturday by eight points to nil. The game was played on the old Campus, and was witnessed by some three hundred persons, the winners qualifying to meet the champions of the Maritime Provinces in the final for the MacTier Cup.

The game was one of the most closely contested exhibitions seen in this city for some years. There was no score at all until the last five minutes of play, when the Montrealers, staging a sensational finish, scored twice on the McGill team.

It was really backfield superiority that won the game for Montreal, their boasted forward line being outplayed by the McGill scrum, who were on the ball the whole time and frequently made long gains by good foot work. The halves were evenly matched. Cooper and Holman excelling themselves and seldom letting the opposing half get the ball away. The Montreal three quarters and full back, were however, superior to the McGill men. Their three quarters seemed to get going faster and passed better, the McGill men on the other hand losing several good chances through failure to pass by passing too soon.

Montreal kicked off; and play stood at midfield for several minutes, neither side being able to get away at all. Marpole sent the ball into Montreal territory when he got away a long kick to touch. From the line-out the McGill forwards secured and worked the ball down to Montreal thirty yard line. Holman broke through but lost the ball. Play was inside Montreal's twenty-five when McGill were awarded a free kick. Marpole missed a beautiful chance to score when his drop kick from twenty yards out went of the posts. Montreal managed to work the ball out of danger by means of clever kicking to touch. They were awarded a free kick on McGill thirty yard line, but Roberts attempted a goal fell short, and McLeod kicked to touch at half way.

At this stage the McGill forwards were working very well, although they found it difficult to get the ball from the heavier Montreal scrum. At dribbling, however they were much superior.

Play stood at mid-field for some minutes, with neither side having the advantage; the Montreal three quarters got off some good runs, but good tackling and heavy work on the part of the McGill backs brought the ball to centre field every time. A thirty yard run by Foulkes, Lawrence and MacDougall, however, brought the ball to McGill ten yard line, and from a line out the Montreal forwards very nearly got the ball across, but Cooper relieved by a pretty kick to touch thirty yards out. Montreal were pressing hard at this juncture, and forced McGill to touch down once, but were unable to score.

Just before half time the McGill three quarters combined in a pretty play that brought Marpole, within a few yards of the line, but he was unable to get across. The period ended with McGill pressing.

From the start of the second half the Montreal forwards rushed the ball down and were very near scoring but McGill rallied and managed to keep them back. A free kick awarded to Montreal went straight to Marpole who relieved by a pretty twenty-five yard run. Another three quarter run brought the ball to Montreal territory, and then McGill forwards pressed the ball down and were all but over. Play was on the Montreal five yard line for several minutes with McGill fighting hard to get it across. They were unsuccessful, however, Montreal finally getting the ball away by a long kick to touch. This was McGill's best chance of scoring and they were certainly unlucky not to get a try.

With five minutes to go, Montreal worked the ball down by good three quarter work, and the referee awarded them a try when Rowan fell on the ball after a regular scrimmage on McGill's goal line. Foulkes converted. Score, Montreal 5, McGill 0.

A minutes later Foulkes got the ball forty yards out and ran through the whole McGill team for a try. Roberts failed to convert. Score, Montreal 8, McGill 0. The final whistle blew a minute later.

For the winners, Foulkes and Wanstaff were the pick of the backs, while Hyde played the best game among the forwards. Marpole played his usual brilliant game for McGill, while Wilson and McLeod led the forwards very well.

The teams: Montreal — Fullback, Roberts; three quarters, McDougall, Foulkes, Lawrence, Walsh; halves, Wanstaff, Miller; forwards, Hyde, Congleton, Bale, Myers, Rowan, Seaman, Tighe, Taylor.

McGill—Fullbacks, A. N. McLeod; three quarters, Marpole, H. C. Cooper, McNamee, McDonald; halves, Holman, J. R. Cooper; forwards, G. Wilson, Walter, Patterson, Cleland, Gise, McLeod, Taylor, O'Brien.

# QUEENS BEAT VARSITY IN CLOSE GAME

## Tricolor Springs Surprise on Blue and White

### TIGHT BATTLE

#### Leadley's Drop Kick Decides Issue

Queen's on Saturday demonstrated that the 13 jinx is not on them, boils or not, as they defeated Varsity on Toronto grid for the third time since the two universities commenced to play in 1887, by the score of 15 to 13. At one time in the third period Varsity were leading by means of their 13 points, but Queen's came from behind for the second time of the game and through Leadley's great booting obtained the necessary points to win and place themselves in an excellent position to win the Intercollegiate championship.

On the play the better team won as Varsity was very erratic, the backs making some very costly fumbles and field play of the Tri-Color that Queen's won out. The game was a gruelling one, many of the players needing the service of the trainers, but none of the injuries were serious.

There have been better games this season and the play of the losers especially was not up to the usual standard. Batstone and Leadley were great on the Queen's back division and they combined for many good gains, while on the other hand the Varsity backs were unable to make away for anything like a good gain owing to the attention they received from the Tri-colors' outsiders. Walker and Thomas were down on every kick and so was Harding. They took every advantage of the Varsity fumble and gave the locals no opportunity to get under way after taking a catch.

The Varsity outside were well covered by their checks and the Queens backs were able to get in to their stride before the tacklers arrived. On the wing lines were fairly evenly matched in the centre, both holding well at times, but Queen's made yards a few more times than did Varsity. Duncan and Reilly were the best line-players for Varsity, with McKelvey and Delahay excelling for the winners in this department. Varsity were not as sure in handling the ball as were Queens and at times Varsity were outguessed. In kicking honors were fairly even, but better work by the Queens outside gave them the edge on the aerial exchange.

Toronto.

When Queen's came it was shown that the Tri-color was at full strength, boils or no boils, as Captain Johnny McKelvey was in his regular place at middle wing. The game was half an hour late in starting, owing to Queen's tardiness.

THE FIRST QUARTER.

Queen's won the toss and chose to kick south, taking advantage of the wind, but facing the sun. Taylor kicked off to Batstone, who was downed on his 25-yard line. Leadley kicked on first down to Somerville, who fumbled on his 40-yard line when tackled and Queen's secured. Varsity held on the first down, and Queen's lost possession on the second when Evans fumbled. Snyder made three on the first down, but Varsity lost fifteen yards for interference. Reilly made ten, and Varsity secured at centre field on Batstone's fumble off Somerville's kick. "Silent Sandy" made seven yards and Westman completed the distance on the second down. Duncan made five yards through the line and Snyder duplicated, Varsity making yards twice on four downs. On the second drop from Somerville made a beautiful drop from the 45-yard line.

Varsity 3, Queen's 0.

Leadley kicked off to Snyder, who ran the ball back from Varsity's 15-yard line to the 40-yard mark. Somerville made five through the line and Hobbs completed yards. Snyder was through, but the ball was kicked from his arms and after both teams had played a little soccer, Varsity secured on Queen's 40-yard line. Reilly and Duncan made yards on town downs, carrying the ball to Queen's 30-yard line, and "Silent Sandy" scored three more points by his drop from the 40-yard line.

Varsity 6, Queen's 0.

Westman carried the kick off to Queen's 45-yard line. Somerville kicked into touch at Queen's 12-yard line.

McKelvey made 4 yards and Leadley rounded Varsity's left end for fifteen, but dropped the ball when tackled and Varsity secured at Queen's 35-yard. Somerville and Snyder made yards on two smashes, but Varsity was penalized twenty yards. Varsity again lost 20 yards for offside and Somerville booted to Batstone who was downed at Queen's 18 yard line. Delahay made on the second and Hobbs was downed at midfield on Leadley's kick. Varsity made seven on two plays and Somerville kicked over to Leadley who dodged his way out to his seven yard line, Batstone went through for a 15 yard gain Queen's failed to gain on two downs and Leadley kicked to Somerville, who was tackled by Leadley on Varsity's 45 yard line. Varsity made yards on three downs, Reilly going through for seven on the third down. Hobbs tried an on-side kick, but Leadley ran it back to his 45 yard line. Varsity forced Queen's to kick and Hobbs was downed by Walker on Varsity's quarter line on Batstone's kick.

Quarter time score—Varsity 6, Queen's 0.

SECOND QUARTER.

Play started with Varsity in possession on their 12-yard line, having been penalized fifteen yards on the last down of the quarter period. Somerville booted to Batstone, who was downed at centre. Bartlett taking the count on the tackle. Evans made seven yards on the first down, making the last five on a hurdle over the line. McKelvey made four more. Queen's making yards. The Tri-color tried a half run, but a fumble allowed Bartlett to dribble to Queen's 35-yard line, when Harding recovered. Queen's made a pretty 35-yard gain on a combined run by Leadley, Batstone and Harding, and on the second following down Batstone made yards. Leadley tried a drop, but Snyder returned from behind his own line. A minute later Leadley tried another drop, but it was again wide and Snyder was downed for a rouge.

Varsity 6, Queen's 1.

Snyder and Duncan each made three Snyder kicked to Batstone, who was tackled at Queen's 50-yard line. Queen's tried another of their pretty half-line runs, Batstone to Leadley to Harding, the latter taking his pass 10 yards out and going over for a try along the touch line, which Leadley converted from a difficult angle.

Varsity 6, Queen's 7.

Taylor kicked off to Evans, who was downed on his own 35-yard line. McKelvey made 15 yards through the line Queen's was penalized 15 for offside and Batstone kicked to Somerville, who was downed, but play was called back to centrefield. Queen's lost on two downs, Batstone kicked into touch at centrefield. A Varsity fumble gave Queen's possession at Varsity's 18-yard line and Leadley dropped a field goal.

Varsity 6, Queen's 10.

Evans was injured when downed at centre-field after Taylor had kicked off. A Queen's fumble on the first down gave Varsity possession at centre, and Snyder went through for yards on the first down, and Duncan got the required ten on the next down through the line. Somerville smashed for six yards on two downs. Somerville's attempted drop was low, and Leadley ran the ball just over the line. Evans made seven through centre. Queen's made yards on three smashes. Leadley came through with three more yards. Delahay added two. Somerville ran back Leadley's down booted to Batstone, who was downed eight yards out. Reynolds made five Somerville was tackled at Queen's 50-yard on Leadley's kick, and Batstone was downed at his quarter on a Varsity on-side. But play was called back.

Duncan fumbled and Thomas secured, being downed by Ralph at Queen's 33-yard line. Queen's fumbled and the ball bobbed around, with Queen's finally securing. Leadley gained 20 yards around Varsity's left before being downed by Snyder. Leadley and Batstone made twenty yards around Varsity's right. Harding was injured and carried off. Leadley kicked over to Somerville, who was downed for a rouge.

Varsity 6, Queen's 11.

Mundell came on for Harding. Som-

erville made five and Snyder added ten just at half time.

Half-time score: Varsity 6, Queen's 11.

QUEEN'S BACKS BETTER.

In the first half Queen's showed that they are a much stronger team than last year and had an edge on Varsity in practically every department after they got settled down. The Tri-color half line has worked well together and the Harding, Leadley, Batstone combination runs have been the feature of the game. Snyder and Somerville held their own with Leadley and Batstone, but the Queen's outsiders appeared to be down under the kicks a little better and the Varsity halves were not able to run the ball back for as great gains as were those of Queen's. Varsity have been unable to get going, the Queen's wing line smothering Varsity's plays and the edge in the play corresponding to the difference in the half line. The Queen's halves are the better broken field runners and evade tackles by hurdling more than by dodging. Varsity fumbles have proven more costly and have given Queen's valuable gains, while the Blue and White have suffered the most penalties.

At half-time, ex-Captains of Varsity had their picture taken and the S.P.S. students staged a burlesque game that was a scream.

THIRD PERIOD.

Hobbs returned the kick off and Leadley was downed at Queen's 45 yard line, but Varsity was given possession at centre, and made yards on three smashes. Queen's line held on two downs and Somerville kicked over to Batstone, who ran the ball out. Leadley kicked into touch at Queen's 35 yard line. Somerville made three yards and then Duncan wriggled through the line and dodged the backs for a touch down, a run of 35 yards. Somerville converted from directly in front.

Varsity 12, Queen's 11.

Leadley kicked off to Hobbs who returned, and Leadley was downed on his 30-yard line, a bad pass by Evans losing five yards for Queen's. Evans made three through centre. Varsity held and Leadley kicked to Somerville who was tackled on Varsity's 40-yard line. Snyder made yards. Reilly added five and Duncan put one three more with Snyder completing yards. Varsity again made yards on three smashes. Varsity was held, and Somerville tried a drop which was wide. Leadley was downed on his own ten yard mark. Leadley made 20 yards before he was downed by Snyder. Reynolds was injured, and replaced by Nickle. Queen's used a quick formation which gave them a good start. Exchanges between Leadley and Hobbs resulted in Queen's being in possession on their 25-yard line. Varsity blocked a kick, and obtained on Queen's 20-yard line. Varsity made six two plunges Hobbs lifted over an attempted on-side kick which Snyder took just as Batstone reached for it and fell on for a touch, but Isbister would not allow it. Queen's tried a half run, but Weaver intercepted a pass from Batstone, giving Varsity possession on Queen's 18-yard line. Hobbs tried another on-side, but Queen's obtained at the expense of a rouge.

Varsity 13, Queen's 11.

Varsity held on two downs and Leadley kicked to Somerville, who fumbled and Thomas secured at centre. The Leadley-Batstone combination made a

five-yard gain on a cross-field run. After a delay, in which Leadley was patched up, Evans went through the centre for a 5-yard gain, being downed on Varsity's 12-yard line. Two plunges failed to gain, but on the third down Leadley dropped a field goal.

Varsity 13, Queen's 14.

A criss-cross, which ended up in a Batstone-Leadley run, took the play from centre-field to Varsity's 30-yard line. Hobbs was injured, but continued. McKelvey broke through for 8 yards. Queen's lost 20 yards for holding, Lewis being penalized. Leadley kicked to Hobbs, who was downed on his ten yard line, but Somerville booted back to centre on the first down. Varsity 13, Queen's 14.

FOURTH QUARTER

Play started with Queen's in possession on Varsity's 45 yard line on the last down. Varsity broke through and Prendergast secured. Somerville kicked to Batstone, who was downed on Queen's 25 yard line by Ralph. Two Queen's plays were smothered. Somerville ran back Leadley's kick to centre, and Evans went off for a minute for scragging making Queen's two men short. A Varsity fumble gave Queen's possession Hobbs replaced by Murray. Leadley kicked and Snyder was downed ten yards out. Somerville kicked to Leadley at Varsity's 45 yard line. Leadley kicked to Somerville, who passed to Snyder, who made Varsity's 25 yard line. Queen's held and obtained possession on Varsity's 30 yard line. Leadley tried a drop, but Snyder ran the ball out. Somerville kicked into touch at Varsity's 35 yard line. Queen's made yards on two plays Batstone made five on the second down. Leadley tried a drop kick, but it was wide and Snyder returned to Batstone, who was downed at Varsity's 35 yard line. Leadley kicked to Snyder, who was downed 8 yards out, Duncan went through for 8 yards. Duncan completed yards. Snyder added seven. Reilly completed yards. Duncan made another seven. Hobbs comes on again. Varsity failed to make yards on three downs and Queen's obtained on Varsity's 40. Queen's lost 5 yards on the first two downs. Hobbs was downed on his own 25 yard line. Duncan and Snyder made 8 yards. Westman completed yards, but Varsity lost possession on a fumble Leadley kicked to the dead line.

Varsity 13, Queen's 15.

Varsity tried on-side, but Queen's turned 35 yards out. Somerville returned Leadley's kick from behind the line to centrefield.

Leadley kicked to Somerville, who returned over Leadley's head, and Queen's were in possession on their own five yard line as the final whistle blew.

Queen's 15, Varsity 13.

## Keep "in touch" with health.

All keen footballers should keep fit by taking Bovril. Bovril "tunes up" every muscle and nerve in the body.

A Club that supplies every member of the side with a cup of Bovril after training makes a good investment.

## ILLUSTRIOUS GRADUATE OF APPLIED SCIENCE IS DEAD

McGill Grad. on Trade Commission Service in Hamburg—  
Science Man in Manitoba Ministry—McGill Men at  
Congress of American College of Surgeons—Many  
Engagements Announced.

Civil engineering in Canada lost a leading figure and McGill an illustrious graduate on October 19th, when Henry P. Borden, Science '02, passed away at his home at Rockcliffe, Ottawa. The late Mr. Borden was a native of Port La Tour, N.S., and was educated at Mount Allison University before entering McGill. His technical career after graduation in Applied Science was commenced with the bridge department of the Canadian Pacific Railway and in 1904 he was appointed assistant chief engineer of the structural department, Montreal Locomotive Works. Returning to the C.P.R. as an architectural engineer, in 1908 he received an appointment to the staff of the Ontario-British Commission as an assistant engineer and secretary and in 1915 was promoted to be assistant to the chief engineer of the Commission. From 1916 to 1918 he was a member of the Board of Engineers of the Quebec Bridge and from 1919 to 1921 was engaged in a consultative capacity by the Dominion Government. Recently, he opened private practice as a consulting engineer in Ottawa. Mr. Borden is survived by his wife and two children.

L. Dana Wilgress, Arts '15, who has been stationed latterly at London, England, in the Canadian Trade Commission service, has been appointed to organize and take charge of a branch of the trade commissioner service at Hamburg, Germany.

Dr. R. Lorne Gardner, Arts '09, Med. '10, has been elected a Fellow of the American College of Surgeons. He has practised in Ottawa since graduation with the exception of a period spent overseas with the C.A.M.C.

Duglas L. McLean, Sci. '09, has been appointed Deputy Minister of Public Works for the Province of Manitoba. Latterly he has been chief engineer of the Manitoba Drainage Commission and previously was assistant to J. B. McRae, Sci. '98, hydraulic engineer for the International Joint Commission, Ottawa, and chief engineer of the water power survey of the Winnipeg Rivers, Department of the Interior. Mr. McLean comes from Ottawa where he attended the Collegiate Institute before entering the Faculty of Applied Science at McGill.

At Toronto on October 21st, the marriage took place of Captain Norman Burke Allen, M.C., past student with the class of Arts '17, and Miss Audrey Hall, daughter of Mr. and Mrs. F. Asa Hall, all of Toronto.

Dr. J. L. Chabot, ex-M.P., Med. '92, of Ottawa, is attending the clinical congress of the American College of Surgeons at Boston, Mass., and has been

elected a Fellow of the College.  
Dr. J. D. Flagg, Med. '87, of Buffalo, is representing McGill University at the installation of Dr. Samuel P. Capen as Chancellor of the University of Buffalo.

At Rock Island, Que., on October 17, a daughter was born to E. LeRoy Rice, Arts '08, and Mrs. Rice; at Ottawa on October 16 a son to Paul Ogilvie, Sci. '01 and Mrs. Ogilvie; and at Buffalo, N. Y., on October 16, a daughter to Frank O. B. Nehin, Sci. '16, and Mrs. Nehin.

At Vancouver, B.C., recently the marriage took place of Miss Alice Orma, Edna Henry, M.A., Arts '04, daughter of Rev. J. R. Henry and Mrs. Henry, Douglas, Ont., and Herbert Booth, of Shanghai, China.

The engagement has been announced of Miriam, daughter of Mr. and Mrs. Matthew Robson, Salem, Mass., and Cecil G. MacKinnon, K.C., Arts '00, Law '03, of Montreal.

Dr. Walter W. Read, Med. '19, of Halifax, N.S., is also to be married to Miss Margaret Eva Kennedy, of Wingham, Ont.

On October 26 Renée, daughter of Aimé Geoffrion, K.C., Law '93, and Mrs. Geoffrion, Montreal, was married in the Sacred Heart Chapel, Notre Dame Church, to Henri Vautelet, Law '16, son of Mr. and Mrs. H. E. Vautelet.

Additional graduates who have just been admitted to the degree of Fellow of the American College of Surgeons include: Dr. A. E. Macaulay, Med. '10, Dr. J. H. Allingham, Med. '10, and Dr. L. deV. Chipman, Med. '08, all of St. John, N.B., and Dr. Charles E. Preston, Med. '04, Dr. C. A. Young, Med. '05, and Dr. G. S. MacCarthy, Med. '04, of Ottawa.

At St. John, N.B., on October 25 a romance dating from undergraduate days was concluded when Miss Edith Louise Barnes, Arts '21, daughter of Mr. and Mrs. Eustace Barnes, of that city, was married to Frank Leslie Mitchell, Sci. '21, of Iroquois Falls, Ont., son of Mr. and Mrs. W. J. Mitchell, Kingston, Jamaica.

Dr. C. M. Eaton, Med. '20, has moved from Vancouver Heights, B.C., to Atlin, in the same province.

Early in November the marriage will take place in Port Hope, Ont., of Miss Constance Isabel Frith, eldest daughter of Mr. and Mrs. F. W. Frith, Westmount, and John S. Hall, Sci. '14, son of the late Hon. John S. Hall, Arts '74, Law '75, and of Mrs. Hall, Montreal.

## CROCKER WINS INDOOR TENNIS CHAMPIONSHIP

McGill Star Acquires New Honours

DEFEATS VEYSEY  
Wright and Crocker Also Take Doubles

Displaying truly spectacular tennis, Willard F. Crocker in the fourth round fought set defeated his opponent on Saturday afternoon in the final round of the Canadian Indoor Tennis Championship, winning a hard earned victory over A. J. Veysey, 6-3, 6-3, 3-6, 6-1. Crocker's final triumph was expected by many though the closeness of the play came as a surprise to a large number. The veteran Veysey put up a great fight against his young opponent, forcing the McGill player to give a truly championship exhibition and to display all his quickness of foot and suppleness of body in returning some of the older man's tricky volleys. Crocker's overhead was perfect, and his spectacular rallies were a great feature of the game, and one of the most telling factors in securing his victory.

In the doubles, which were won by W. F. Crocker and Jack Wright, defeating E. H. Laframboise and Leroy Rennie in three straight sets, 6-3, 6-3, 6-4, the brilliance displayed by Wright in the semi-final round on Friday was again evident, and with his champion partner playing an even better game than in the semi-final, despite the fact that barely fifteen minutes had elapsed since the strenuous four sets of the singles final, even a combination that included a former Dominion champion was not good enough to overcome the two youthful collegians. Here again rallying provided the thrills of the match, and though Laframboise placed what were next to impossible balls, either Crocker with his remarkable speed or Wright with his backhand strokes would get the ball back to the marvelling, but unprepared couple on the other side of the net.

Willard F. Crocker, the singles champion, is a native of Quincy, Massachusetts, and is a third year medical student at McGill. Twenty-four years of age, he has been playing tennis for the last ten years, is regarded as a future Davis Cup player, and in him many look for the greatest tennis player of his time in Canada. He won the Ontario and Quebec open championships this summer, and has several times been champion of the intercollegiate series. With Wright he made an excellent showing against Shimidzu and Kashio, the Japanese Davis Cup players, and singly against Wertheim, who was taken into three sets to defeat the McGill man. Crocker gained considerable fame in U. S. tennis circles through his brilliant tourney play during the summer.

## CADETS BEAT SECOND TEAM ON WEDNESDAY

(Continued from Page One)  
the R.M.C. 10-yard line and Hyman fumbled the return punt but recovered on the visitors' 35-yard line. R.M.C. obtained the ball on a blocked kick and punted to the McGill 30-yard line. Sid Harris recovered the pigskin when an R.M.C. back fumbled Wilson's punt and raced 50 yards for a touchdown which was not converted. McGill 5; R.M.C. 0.

R.M.C. kicked off and when they obtained the ball gained 35 yards on the first down by a combined run around right end, when the McGill line held. Price punted to Hyman, who was downed for a rouge. McGill 5; R.M.C. 1.

On an exchange of punts R.M.C. gained 10 yards. Sid Harris covered Amaron's fumble on an attempted end run. McGill fumbled again and an R.M.C. back recovered and sprinted to the 5-yard line before being downed. But R.M.C. was set back 15 yards for offside. On the last down the Cadets tried a place kick which went wide and Grassick ran it out from behind the line. Wilson punted and the visitors tried another place kick which was fumbled, Thompson recovering for McGill. Grassick and Harris made yards in two attempts. Grassick took a bad pass from Hyman and made 9 yards at right end. A plunge at centre yielded another first down. Freedman bucked through for 8 yards, and Cummings added 5 more for the third first down in succession. As the period ended: McGill 5; R.M.C. 1.

Second Quarter  
McGill made another first down by a long gain around left end but the play was recalled and the home team penalized 15 yards for running interference and lost the ball. Freedman broke up a threatening end run and R.M.C. punted to midfield. McGill made 8 yards on two plunges and with 2 yards to go Harris called for a buck which failed and R.M.C. obtained the ball on downs. Hammy Smith broke up an end run in clever fashion. After an exchange of punts the Cadets circled left end for 30 yards and on the

more. The McGill line held and R.M.C. tried another place kick which fell short and bounced back on the field of play. The visitors obtained the ball on the McGill 1 yard line. A line plunge failed but McGill was offside and the visitors were given first down. Here the McGill line made the most beautiful stand of the day and three more attempts at the line failed to gain an inch and R.M.C. lost the ball. Harris made 8 yards through centre but R.M.C. obtained on a fumble and kicked to Hyman, who ran it out. An exchange of punts took place, the period ending with McGill in possession on their own 20-yard line. McGill 5; R.M.C. 1.

Third Period  
R.M.C. kicked off and the ball was run back to McGill 35-yard line. A run around right end netted 10 yards and a first down. Grassick then skirted left end for a long gain and passed to Hyman for a net advance of 35 yds. Wilson punted and Cummings scooped the ball up and ran for a touchdown and it looked like a well executed on-side kick, but Cummings had been offside and the play was recalled. R.M.C. ball. McGill 30-yard line. The Cadets were given a first down when McGill was offside. The home team

next play rounded right end for 20 gained 10 yards on an exchange of punts. Cummings made 8 yards through the right side of the line and R.M.C. held. McGill gained 5 more on an exchange. A run around left end gained 20 yards and one around the other added 10. A McGill punt was blocked and then something like a soccer game ensued until R.M.C. obtained on the McGill 30-yard line. As the period ended: McGill 5; R.M.C. 1.

Fourth Quarter  
On the first play Carr Harris, the diminutive Cadet, skirted left end, dodged several tacklers and sprinted over the line for a touchdown, which was not converted. McGill 5; R.M.C. 6.

Carr Harris again jumped into the limelight by running back a McGill punt 30 yards. Gorrie fumbled a punt on his 10-yard line but Grassick recovered. R.M.C. obtained the ball on a blocked kick and after two plunges kicked over for a rouge. R.M.C. 7; McGill 5.

An exchange of punts took place, McGill gaining 5 yards on the negotiation. R.M.C. again blocked a McGill kick and obtained on the Red and White 30-yard line. There was an

## DISTANCE RUNNERS WILL RACE TODAY

(Continued from Page 1.)  
run a splendid race. Legg, it is rumored will be out again and this runner although not entirely in shape for the grind will force the others to work if they are going to win. Kerr is a new comer who is also a contender for a berth on the intercollegiate team. This runner has in the past week ran some fast times on the course. Bishop is also out and in fine shape. Among the rest of the runners there are many who show possibilities but because of the lack of racing have not had an opportunity to give an exhibition of their real ability.

Professor—Mr. Jones, tap that student next to you on the shoulder and wake him up.

Jones—Aw wake him up yourself, you put him to sleep—Onward.

words from an address of Miss Wrong, other exchange of punts on which McGill gained. R.M.C. skirted left end but lost the ball on a forward pass. R.M.C. recovered a McGill fumble at midfield as the final whistle blew. R.M.C. 7; McGill 5.

## UNION INFORMAL ON FRIDAY NEXT

(Continued from Page 1.)  
patrons of the Union Cafeteria, which is under a new management this year, will also be apparent in the supper, and in order to facilitate matters in the serving of this supper, something unique has been planned by the committee which will win the favor of all. The popularity usually attending the first Informal of the year will, from early reports, be greatly supplemented and the best plan for those wishing to be guaranteed a ticket would be to be on hand shortly before 1 p.m. on Wednesday. On that day the tickets will go to first-comers after one o'clock at the office of the secretary in the Union. The price of tickets has this year again been kept down to the popular two-dollar limit, which makes it possible for all to attend an excellent dance at a cost greatly less than that charged at the down-town cabarets.

Charity—Will you donate something to the Old Ladies' Home?  
Generosity—With pleasure. Help yourself to my mother-in-law—Orphan.

## CHESS CLUB ELECT OFFICERS TO-NIGHT

Record Turnout of New Members Expected

The annual meeting of the Chess Club for the purpose of electing officers will take place this evening at 8 o'clock in the Union. As this will undoubtedly be one of the most important meetings of the year, a full attendance is requested.

The retiring officers wish to express their gratification at the success the club has attained since its organization.

The need for new membership is keenly felt on account of the passing of some through graduation and the discontinuance of attendance of some of its former members at college.

Since the reorganization of the Chess Club in 1919 there has been an open tournament held every year, and the professional staff has shown great interest in the activity of the club by playing a match with the members each year.

The club entered the Montreal Chess League in Class "C" for the first time in 1920, and were the champions for that season. Last year the club made an excellent showing in the League, taking the second place by a very narrow margin.

Those who are interested in the game of chess should not let slip this opportunity of supporting an activity that goes far towards building up the mind and towards giving pleasure.

Fresh Tucker—Did you ever hear a rabbit bark?

Doug—Nonsense, rabbits don't bark. Fresh Tucker—That's funny. It says in my book that rabbits eat cabbages and bark.

He—If you are not dated up this evening, I'd like to take you out in my Ford.

She—I'm sorry Jack, but this is

## McGILL RIFLE CLUB MAKES GOOD SCORE

General Birket, Hon. President, Present at Shoot

The McGill Rifle Association shot for the Intercollegiate Cup yesterday, with a very good score. According to the new ruling each club may select its own day on which to shoot, turning the scores in to the authorities at Ottawa for decision. Thus the result of the competition will not be known until Varsity shoots, in about a week's time.

The season is so rapidly advancing that even now the weather is all but unsuitable for rifle work. A cold, strong, "fish-tail" wind swept the range, adding greatly to the discomfort of those waiting, not to mention the difficulties in shooting such as wind-blurring of the eyes and erratic deflection of the shots. This was less noticeable at the shorter range of 20 yards but became much evident at the 600 yard distance much to the detriment of what otherwise would have been a brilliant total. At 20 yards, eight men secured 33 out of a possible 35 points.

Despite the inclemency of the weather Dr. Birket, Honorary President of the club, turned out with enthusiasm equal to that of the most ardent marksman in the Association. Unfortunately the Intercollegiate regulations do not permit of graduates of more than one year's standing entering the competition, and as Dr. Birket in one of his many humorous anecdotes, mentioned belonging to the graduating class of 1886, it was impossible to include his score with that of the team. However the great moral support which he undoubtedly contributed to the occasion was thoroughly appreciated by everyone.

The thanks of the Association is also due to Lieut. R. B. Henry, who kindly acted as official Range Officer representing Militia at the Shoot.
